Notice Regarding Projected Dividend – Including 75th Anniversary Commemorative Dividend – for the Fiscal Year Ending December 31, 2012 (the 112th Business Term)

At a Board of Directors meeting held on November 19, 2012, Canon Inc. (the “Company”) passed a resolution regarding the projected year-end dividend per share for the fiscal year ending December 31, 2012 (the 112th Business Term) as follows.

1. Awarding a Commemorative Dividend for the 75th Anniversary of the Company’s Establishment

The fiscal year ending December 31, 2012, marks the 75th anniversary of the Company’s establishment. The Company is grateful to its shareholders and other stakeholders for their many years of support.

To show its appreciation for the ongoing assistance of its shareholders, the Company plans to award a commemorative dividend of 10.00 yen per share for the fiscal year ending December 31, 2012.

2. Basic Policy Regarding Profit Distribution and Dividend for the Period

The Company works to provide a stable and active profit return to shareholders, mainly in the form of a dividend, taking into consideration medium-term profit forecasts along with planned future investments, cash flow and other factors.

In the fiscal year ending December 31, 2012, the business environment remains challenging, characterized by, among other factors, a further deceleration in global economic growth. Thanks to comprehensive cash flow management, and subsequent improvement in management efficiency, the Company expects to generate adequate cash on hand. Reflecting this situation, to provide a stable and active profit return to shareholders, the Company plans to distribute a regular year-end dividend of 60.00 yen per share. Together with the commemorative dividend described above, the total value of the planned dividend is 70.00 yen per share.

The Company’s projection for consolidated results for the fiscal year ending December 31, 2012, is provided below and remains unchanged since being announced on October 25, 2012.
