About This Report GRI2-2 GRI2-3 GRI2-4 GRI2-5

The Canon Sustainability Report provides detailed and comprehensive disclosures on sustainability at Canon for the benefit of a range of stakeholders.

The 2025 edition details our sustainability promotion framework, centered around the Sustainability Committee established in 2024, and makes climate change-related disclosure (risks and opportunities, countermeasures, etc.) based on scenario analyses.

Our Data Summary (available as a separate PDF) provides information related to society and the environment. Some of the data in the Data Summary and the Sustainability Report has been subject to third-party review for enhanced data integrity.

- Environmental Accounting Guidelines (2005 Edition), Ministry of the Environment (Japan)
- Charter of Corporate Behavior, Keidanren (Japan Business Federation)

Disclosed Data

Disclosed data has been revised to reflect changes in calculation methods and the expanded scope of sites covered. Accordingly, some data in this report differ from previously disclosed data and detailed figures may not add up to totals due to rounding.

Notation

"Canon" refers to all companies in the Canon Group including Canon Inc. and its consolidated subsidiaries, while "Canon Inc." indicates the non-consolidated parent company. "Employees" refers to workers who are full-time or part-time employees. In addition, "Europe" refers to the region comprising Europe, the Middle East, and Africa.

Forward-looking Statements

This report contains not only past and present facts about Canon, but also forward-looking statements based on plans, prospects, and management policies and strategies as of the publication date. These forward-looking statements are assumptions or estimations based on information available at the time the report was prepared. Due to a range of variables, however, the results or circumstances of future business activities may vary from the forecasts contained herein.

Reports Containing Sustainability Information

| Report | Description |
|--|--|
| Canon Sustainability Report | Discloses detailed and comprehensive information about Canon's sustainability approach and framework, as well as our initiatives to address environmental, social, and governance issues. |
| Canon Integrated Report | Compiles and discloses information pertaining to our longer-term corporate value creation story, including business plans, business, finance, and HR strategies, and ESG initiatives. |
| Canon Annual Report | Discloses financial information as an English-language consolidated financial statement report and introduces non-financial information such as business strategies and ESG initiatives. |
| Annual Securities Report (Japanese only) | Discloses detailed information particularly about our financial situation, pursuant to the requirements of Article 24, Paragraph 1 of the Financial Instruments and Exchange Act. |
| Corporate Governance Report | Discloses our corporate governance approach and structure in line with Japan's Corporate Governance Code and provides more detailed information about our institutional design, how our governance structure operates, and an evaluation of its effectiveness. |
