## **Environmental Survey Response Certificate**

Regarding environmental survey and confirmation of response content after the survey with your company and your group companies, we agree to the items from (1) to (3) below.

### Note

**(1) Cooperation for environmental survey and confirmation of response content which is carried out after the survey**

We will cooperate with the environmental survey and confirmation of response content after the survey, and provide information regarding our company and our suppliers to Canon groups within the range of the survey.

**(2) Conformity of response content with fact**

In the environmental survey and confirmation of response content, we guarantee that the content of the response conforms with fact to the best of our knowledge.

We guarantee that information regarding our company is not contradictory to facts.

**(3) Change of report**

When the response to the environmental survey and the contents confirmed after the survey are changed, we will report the change to Canon group's department in charge
